

Australian Society of Plant Scientists Inc. Postgraduate Student Travel Grants

Funds are set aside each year to sponsor student travel to our annual conference and in this way, contribute to their professional development in plant science. Support will vary from year to year depending on the Society finances, location of the meeting and the number of applications. The Treasurer will apply a formula in calculating individual entitlements and takes these factors into account. Applicants must be financial members of ASPS and should be presenting an oral paper or a poster. **The deadline for application is Monday evening September 7th 2009.**
